

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit http://PacificSource.com/uo. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	University Health Services (UHS) in-network <u>provider</u> : \$0 individual/ \$0 family   UO Exclusive in-network <u>provider</u> and Navigator in-network <u>provider</u> : \$300 individual/ \$900 family   Out-of-network <u>provider</u> : \$1,000 individual/ \$3,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. All services provided by a UHS provider, if available.  Preventive care; In-network provider emergency room care visits and out-of-network provider emergency room care medical emergency visits. In-network provider: office visits, specialist visits, outpatient rehabilitation services, outpatient habilitation services, urgent care, ambulance. Prescription drug coverage: Tier one drugs, Tier two drugs, Tier three drugs. In-network provider: Vision age 18 and younger - vision exam and hardware. Pediatric dental check-up age 18 and younger.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	Yes. Pediatric dental <u>deductible</u> : \$150. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-</u> pocket limit for this plan?	University Health Services (UHS), UO Exclusive in-network provider, Navigator in-network provider: \$5,000 individual/ \$10,000 family   out-of-network provider: \$10,000 individual/ \$12,700 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="http://providerdirectory.PacificSource.com/?nPlan=Navigator">http://providerdirectory.PacificSource.com/?nPlan=Navigator</a> or call 1-855-274-9814 for a list of <a href="network providers">network providers</a> .	This <u>plan</u> uses a <u>provider network</u> . You pay the least if you use a <u>provider</u> in the UHS <u>network</u> . You pay more if you use a <u>provider</u> in the UO Exclusive <u>network</u> . You pay more if you use a <u>provider</u> in the Navigator <u>network</u> . You will pay the most if you

		use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
