The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit http://PacificSource.com/uo. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	University Health Services (UHS) in-network provider: $0 individual | UO Exclusive in-network provider and Voyager in-network provider: $300 individual | Out-of-network provider: $1,000 individual	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay.
Are there services covered before you meet your deductible?	Yes. All services provided by a UHS provider, if available. Preventive care; In-network provider emergency room care visits and out-of-network provider emergency room care medical emergency visits. In-network provider: office visits, specialist visits, outpatient rehabilitation services, outpatient habilitation services, advanced diagnostic imaging, diagnostic tests and therapeutic radiology/lab and dialysis, urgent care, ambulance. Prescription drug coverage: Tier one drugs, Tier two drugs, Tier three drugs. In-network provider: Vision age 18 and younger - vision exam and hardware. Pediatric dental check-up age 18 and younger.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	Yes. Pediatric dental deductible: $150. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	University Health Services (UHS), UO Exclusive in-network provider, Voyager in-network provider: $5,000 individual | out-of-network provider: $10,000 individual	The out-of-pocket limit is the most you could pay in a year for covered services.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See http://providerdirectory.PacificSource.com/?nPlan=Voyager or call 1-855-274-9814 for a list of network providers.	This plan uses a provider network. You pay the least if you use a provider in the UHS network. You pay more if you use a provider in the UO Exclusive network. You pay more if you use a provider in the Voyager network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might

		use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.
