## ***Introduction***

Welcome to your Student Dental Benefits Plan. The University of Oregon established the UO Dental Benefits Plan (referred to as the “Student Plan”) to provide dental coverage to help you and your eligible dependents (listed in the section titled ‘Becoming Eligible’ of the Medical Student Guide) stay well. We encourage you to familiarize yourself with the wide range of benefits and services offered by this Student Plan.

Any words or phrases used in this student guide that appear with an initial capital letter, are defined terms. All such words or phrases are defined in the Definitions Section (see the Table of Contents for exact location). The University of Oregon highly encourages you to read this student guide in its entirety and to ask any questions you may have to ensure you understand your rights, responsibilities, and the benefits available to you under the terms of this Student Plan.

## ***Using this Student Guide***

This student guide will help you understand how this Student Plan works and how to use it. Please read it carefully and thoroughly.

Within this guide you will find Member Benefit Summaries for your dental plan and any other dental benefits provided under the University of Oregon’s Student Plan. The summaries work with this guide to explain this Student Plan. The guide explains the services covered by this Student Plan; the Benefit Summaries tell you how much this Student Plan pays toward expenses and the amount for which you will be responsible.

The UO Student Health Benefits Plan team is available to answer your questions about eligibility, general plan design, and enrollment/termination (call 541-346-2832 or stop by University Health Services). The customer service team at PacificSource is also available to answer questions about Providers, benefits, prior authorizations, and specific claims questions. To contact PacificSource Customer Service, call 1-855-274-9814.

## ***Nature of this Student Plan***

This Student Plan is not an employee welfare benefit plan or an employer-sponsored plan. This Student Plan is not governed by the Employee Retirement Income Security Act (“ERISA”).

This Student Plan is "self-insured," which means benefits are paid by the University of Oregon and are not guaranteed by a separate insurance company. The University of Oregon, which is also the Plan Administrator, has contracted with the Third Party Administrator to perform certain administrative services related to this Student Plan.

PacificSource Health Plans (“PacificSource”) is the Third Party Administrator and will process Claims, answer dental benefit and Claim questions, and generally provide administrative services to this Student Plan.

As used in this student guide, the word ‘year’ refers to the Student Plan’s Contract Year, as follows: UO law students – August 10, 2022 to August 9, 2023 and UO students (undergraduate/non-law graduate students) – September 15, 2022 to September 14, 2023. The word ‘lifetime’ as used in this student guide refers to the period of time you participate in this Student Plan or any other student plan offered by the University of Oregon.

Representations not warranties: In the absence of fraud, all statements made by the University of Oregon with respect to this Student Plan will be considered representations and not warranties. No statement made for the purpose of effecting coverage will void the coverage or reduce benefits unless it is contained in a written document signed by the University of Oregon and a provided to a student.

### ***Retention of Fiduciary Duties***

The University of Oregon has retained all fiduciary duties under this Student Plan, including all interpretations of this Student Plan and the eligibility, benefits and exclusions it contains. This means that the University of Oregon is solely responsible for all final decisions regarding what benefits are or will be covered, both now and in the future. The University of Oregon is solely responsible for the design of this Student Plan. The University of Oregon is solely responsible for setting any and all criteria used to determine enrollment and eligibility.

### ***Governing Law***

This Student Plan must comply with both state and federal law, including required changes occurring after this Student Plan's effective date. Therefore, coverage is subject to change as required by law.

## Additional Information

### What is the annual Deductible?

This Student Plan's dental Deductible is the amount of money that Members pay first, before this Student Plan starts to pay. Members will see that some services are covered by this Student Plan without their needing to meet the Deductible.

The individual Deductible applies if Members enroll without dependents. If a Member and one or more dependents enroll, the individual Deductible applies for each Member only until the family Deductible has been met.

University Health Services, UO Exclusive Network, and out-of-network expenses apply together toward the dental Deductible.

### What is the annual benefit maximum?

The annual benefit maximum is the maximum amount payable by this Student Plan for Covered Services received each Benefit Year.

## **Payments to Providers**

Payment to Providers is based on the Allowable Fee for Covered Services. In-network Providers accept the fee allowance as payment in full. Out-of-network Providers are allowed to Balance Bill any remaining balance that this Student Plan did not cover. Services of Out-of-network Providers could result in out-of-pocket expense in addition to the percentage indicated above.

## **Predetermination**

Coverage of certain dental services and Surgical Procedures are by review. When a planned dental service exceeds \$300, this Student Plan recommends a Predetermination to determine if certain services and supplies are covered under this Student Plan, and if you meet the Student Plan's eligibility requirements. Predeterminations are not a guarantee of payment and do not change your out-of-pocket expense.

## **Prior authorization**

Coverage of certain services and Surgical Procedures requires a Benefit Determination by PacificSource before the services are performed. This process is called prior authorization. Prior authorization is necessary to determine if certain services and supplies are covered under this Student Plan, and if you meet the Student Plan's eligibility requirements. Prior authorization does not change your out-of-pocket expense for in-network and Out-of-network Providers. You'll find the most current prior authorization list on our website, [PacificSource.com/uo](http://PacificSource.com/uo).

## **Discrimination is against the law**

Both the University of Oregon and PacificSource Health Plans comply with applicable federal civil rights laws and do not discriminate on the basis of race, color, national origin, age, disability, or sex. University of Oregon and PacificSource do not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

# BECOMING ELIGIBLE

University of Oregon Students who are deemed eligible under the terms and conditions of the UO Student Health Benefits Plan are also eligible for this dental plan. Enrollment in the dental plan is automatic based on enrollment in the medical plan. Please see the Medical Student Guide for information regarding Eligibility and Enrollment of Dependents.

Pediatric dental services are covered for enrolled individuals age 18 and younger on the Comprehensive Pediatric Student Plan. Coverage for pediatric services will end on the last day of the month in which the enrolled individual turns 19. Frequency limits of the Comprehensive Pediatric Student Plan are as required under the Affordable Care Act (ACA). Individuals will automatically be transitioned from the Comprehensive Pediatric Student Plan to this Student Dental Plan.

## GENERAL STUDENT PLAN PROVISIONS

### HIPAA COMPLIANCE STATEMENT

UO is a hybrid entity under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). This means that some of UO's units and departments are required to comply with HIPAA, to the extent applicable, and some parts are not. Those units and departments that are required to comply with applicable provisions of HIPAA are called covered components. This Plan and University Health Services (UHS) are covered components. While covered components are required to comply with applicable provisions of HIPAA, they are also required to comply with the Family Educational Rights and Privacy Act (FERPA) and UO policy.

Other departments, such as the Registrar's Office and the Erb Memorial Union, are not required to comply with HIPAA and therefore they are not covered components. However, the confidentiality protections afforded by FERPA still apply to education records maintained in those departments. For more information regarding the protections and rights afforded by FERPA, please visit: <https://registrar.uoregon.edu/records-privacy>.

The below sets forth the rights and protections you have relating to your protected health information (PHI), as that term is defined by HIPAA, disclosed in relation to this Plan and as prescribed by HIPAA.

1. Only the following employees or agents of the University of Oregon will have access to PHI. Those employees who as a part of their job duties: (i) require the information in order to resolve claims, referral, or other benefit issues on behalf of the Members; or (2) require the information to resolve enrollment and payment issues on behalf of this Student Plan;
2. This Plan and UHS have sufficient administrative, physical and technical safeguards in place to protect the privacy of the PHI from any unauthorized use or disclosure in compliance with all applicable state and federal laws;
3. This Plan and UHS shall have a process in place prior to the receipt of any PHI for the sole purpose of investigating and resolving any suspected incidents where PHI has been improperly accessed, used, or disclosed by the Plan or UHS's employee or agent;
4. Neither this Plan nor UHS will disclose PHI other than as permitted or required by law or this Student Plan;

5. This Plan and UHS will ensure that any agent agrees to the same restrictions and conditions that apply to the University with respect to such PHI;
6. This Plan and UHS will not use PHI disclosed by PacificSource for any employment-related action or in connection with any other benefit or employee benefit plan of UO;
7. This Plan and UHS have a written policy for investigating and appropriately reporting any security incidents that relate to PHI to PacificSource;
8. This Plan and UHS will make available PHI in accordance with 45 CFR § 164.524;
9. This Plan and UHS will make PHI available for amendment and incorporate any amendments to PHI in accordance with 45 CFR § 164.526;
10. This Plan and UHS will make available the information required to provide an accounting of disclosure in accordance with 45 CFR § 164.528;
11. This Plan and UHS will make its internal practices, books, and records relating to the use and disclosure of PHI received from this Student Plan available to the Secretary for purposes of determining compliance by this Student Plan with the provisions of 45 CFR § 164.504.
12. This Plan and UHS will return or destroy all PHI received from this Student Plan that the UO still maintains in any form and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and
13. This Plan and UHS will ensure that the adequate separation between employees who need access to PHI to perform their assigned job functions and those who do not is established and enforced.

As noted above, the protections described above apply to PHI disclosed by PacificSource to UO as the Plan Sponsor. For information regarding other rights relating to your education records and medical information under FERPA and UO policy, please visit:

<https://registrar.uoregon.edu/records-privacy> (FERPA);

<https://health.uoregon.edu/files/NPP-English-2018.pdf> (Notice of Privacy Practices);

<https://policies.uoregon.edu/III.05.02> (UO policy regarding confidentiality of client/patient health care and survivors' services information.)

**Rescissions.** This Student Plan may Rescind a student's or student's dependents coverage if the student or dependent, or the person seeking coverage on their behalf, performs an act, practice, or omission that constitutes fraud or makes an intentional misrepresentation of a material fact. The student or dependent will be given 30 days' prior written notice of any Rescission of coverage, and offered an opportunity to Appeal that decision.

## TERM AND TERMINATION – COVERAGE

- **Students.** Coverage for a student will end on the first of the following events:
  - the date this Student Plan terminates;
  - the date on which the student withdraws from the school because of entering the armed forces of any country;
  - the date that aligns to the student’s eligibility as describe in the section title, “Becoming Eligible”.
- **Dependents.** Coverage for a student’s dependent(s) will end when coverage for the student ends. Coverage will end prior to that time in the event of one of the following:
  - the date the student fails to pay any required premium;
  - on the last day of the coverage period in which the dependent(s) leaves the US, and in accordance with the section above, titled “Dependent Enrollment”;
  - for a Dependent Child, on the last day of the coverage period following the child’s 26<sup>th</sup> birthday;
  - for a Spouse, the last day of the coverage period in which the marriage ends in divorce or annulment;
  - for a Domestic Partner, the earliest to occur of: (a) the date this Student Plan no longer allows coverage for Domestic Partners; or (b) the last day of the coverage period in which the domestic partnership is terminated (the student must provide written notice of such termination to PacificSource).

Termination will not prejudice any claim for a charge that is incurred prior to the date coverage ends.

## USING THE PROVIDER NETWORK

This Student Plan’s benefits vary depending on where you receive care and services. In this section, you can find explanations for how your benefits will be applied and how your out-of-pocket expenses may vary depending on the Provider you see. The Adult Dental Benefit Summary includes the different tiers and network names, as well as the different reimbursement levels and cost-sharing for those different tiers (for example, University Health Services, In-network Providers, and Out-of-network Providers). This information is not meant to prevent you from seeking treatment from any Provider if you are willing to take increased financial responsibility for the charges incurred.

All Dental Providers are independent contractors. The University of Oregon or PacificSource cannot be held liable for any claim for damages or injuries you experience while receiving medical care. Members have the right to choose their Providers.

## UNIVERSITY HEALTH SERVICES (UHS)

The Student Plan provides the most coverage for eligible services received at University Health Services. See Adult Dental Benefit Summary (above) for specifics.

## IN-NETWORK PROVIDERS

In-network Providers contract with the University of Oregon, directly or indirectly, to provide dental services and supplies to Members enrolled in this Student Plan for a set fee. That fee is called the Allowable Fee. In-network Providers agree not to collect more than the Allowable Fee. When you receive Covered Services or supplies from an In-network Provider, you are only responsible for the amounts stated in your Benefit Summaries. Depending on this Student Plan, those amounts can include Deductibles, Copayments, and/or Coinsurance payments.

## OUT-OF-NETWORK PROVIDERS

When you receive services or supplies from an Out-of-network Provider, your out-of-pocket expense is likely to be higher than if you had used an In-network Provider. If the same services or supplies are available from an In-network Provider, you may be responsible for more than the applicable Deductibles, Copayments, and/or Coinsurance amounts.

### *Allowable Fee for Out-of-network Providers*

This Student Plan's payment to Out-of-network Providers may be derived from several sources, depending on the service or supply and the service area where it is provided. To calculate the payment to Out-of-network Providers, we determine the Allowable Fee, then subtract the Out-of-network Provider benefits.

### *Balance Billing*

The Allowable Fee is often less than the Out-of-network Provider's charge. In that case, the difference between the Allowable Fee and the Provider's billed charge is also your responsibility; this difference is called Balance Billing. That amount does not apply toward any cost sharing required by this Student Plan.

## FINDING IN-NETWORK PROVIDER INFORMATION

You can find up-to-date In-network Provider information:

- Ask your Dental Provider if they are an In-network Provider for your network.
- On the website, [PacificSource.com/uo](http://PacificSource.com/uo) Go to Find a Doctor or Drug to easily look up In-network Providers. You can also print your own customized directory.

- Contact the PacificSource Customer Service team. Their staff can answer your questions about specific Providers.

## DENTAL PLAN BENEFITS

In-network Dentists agree to write off any charges over and above the Allowable Fees for most services. When you use an in-network Dentist, you will not be responsible for any excess charges and will pay only your Plan's Deductible and/or Coinsurance amounts. If you choose not to use an in-network Dentist, or don't have access to one, reimbursement will be based on the Allowable Fee. If that out-of-network Dentist's fees exceed the Allowable Fee, the excess charges are also your responsibility.

Subject to all the terms of this Student Plan, incurred dental expense for the following services and supplies are covered according to the Adult Dental Benefit Summary. Benefits are eligible for payment only to the extent a charge is, or would be, made for the least costly service or supply appropriate to your dental treatment. Charges in excess of the least costly service or supply appropriate for treatment, or the Allowable Fee, are not covered under this Student Plan and become your responsibility.

## COVERED DENTAL SERVICES

**These dental services are for enrolled individuals age 19 and older.**

This Student Plan covers the following services when performed by an Eligible Dental Provider, and when determined to be necessary by the generally accepted standards of dental practice for the prevention or treatment of oral disease or for Accidental Injury, including masticatory function. Covered Services may also be provided by a dental hygienist or denturist to the extent that they are operating within the scope of their license as required under state law.

Covered dental services are organized into different classes, starting with preventive care and advancing into specialized dental treatments.

### CLASS I SERVICES (For Enrolled Individuals Age 19 and Older)

- Benefits for **dental cleaning (Prophylaxis and Periodontal Maintenance)** are limited to a combined total of two procedures per Member per Benefit Year. The limitation for dental cleaning applies to any combination of Prophylaxis and/or Periodontal Maintenance in the Benefit Year. A separate charge for periodontal charting is not a covered benefit. Periodontal Maintenance is not covered when performed within three months of Periodontal Scaling, Root Planing, and/or Curettage.
- Benefits for **examinations** (routine, problem focused, and other diagnostic exams) are limited to a combined total of two examinations per Member per Benefit Year. Separate charges for review of a proposed treatment plan or for diagnostic aids, such as diagnostic lab tests (other than brush biopsies), are not covered. Emergency examinations are covered. Please see the Adult Dental Benefit Summary for the Member responsibility of those examinations completed after normal office hours.

- Benefits for **fluoride (topical or varnish applications)** are limited to a combined total of four applications per Benefit Year.
- Benefits for a **full mouth series of X-rays, a cone beam X-ray, or panorex** are limited to one complete full mouth series, cone beam X-ray, or panorex in any 36 month period and further limited to one bitewing set in a 12 month period. When an accumulative charge for additional periapical X-rays in a one year period matches that of a complete full mouth series, no further benefits for periapical X-rays, cone beam X-rays, complete full mouth series X-rays, or panorex are available for the remainder of the year.

## CLASS II SERVICES (For Enrolled Individuals Age 19 and Older)

- Benefits for **anti-microbial agents** are covered.
- Benefits for **alveoplasty** are covered.
- Benefits for **brush biopsies** used to aid in the diagnosis of oral cancer are covered.
- Benefits for a **composite, resin, or similar Restoration** (fillings) are covered. This Student Plan will pay for a filling on a tooth surface only once per Benefit Year. Three or more surface fillings are limited to one per surface per Benefit Year.

## EXCLUSION PERIODS

You may need to complete an Exclusion Period before benefits will be paid by this Student Plan. The Exclusion Period does not apply to persons covered under this Student Plan on the Student Plan's original effective date if the person was continuously covered under a predecessor plan of the University of Oregon.

Initial placement of full or partial dentures, fixed bridges (including acid-etch metal bridges), and implants for the replacement of natural teeth have a 36 month Exclusion Period. However, this Exclusion Period is waived if the natural tooth has been lost or extracted while covered under this Student Plan. You may receive credit towards this Exclusion Period if you have had qualifying dental coverage before enrolling in this Student Plan.

## CREDIT FOR PRIOR COVERAGE

You can receive credit toward this Student Plan's Exclusion Period if you had qualifying dental coverage before enrolling in this Student Plan. To qualify for this credit, there may not have been more than a 63 day gap between your last day of coverage under the previous dental coverage and your first day of coverage under this Student Plan.

To demonstrate Creditable Coverage, a Member may provide the University of Oregon with a Certificate of Creditable Coverage from a prior dental benefit plan.

## NECESSITY ACCORDING TO ACCEPTABLE DENTAL PRACTICE

The benefits of this Student Plan are paid only toward the Covered Service of necessary diagnosis or treatment according to acceptable dental practice. This is true even though the service or supply is not specifically excluded. All treatment is subject to review for necessity according to acceptable dental practice. Review of treatment may involve prior approval, concurrent review of the continuation of treatment, post-treatment review or any combination of these. Just because a Dentist may prescribe, order, recommend, or approve a service or supply does not, of itself, make the charge a Covered Service.

The University of Oregon has the right to arrange, at its expense, a second opinion by a Provider of its choice, and is not required to pay benefits unless that opinion has been rendered.

## UTILIZATION REVIEW

PacificSource has a utilization review program to determine coverage. This program is administered by their Health Services team. Questions regarding Dental Necessity, possible Experimental, Investigational, or Unproven services, appropriate setting, and appropriate treatment are forwarded to the PacificSource Dental Director for review and Benefit Determination.

If you would like information on how we reached a particular utilization review Benefit Determination, please contact the PacificSource Health Services team by phone at 888-691-8209, or by email at [healthservices@pacificsource.com](mailto:healthservices@pacificsource.com).

## PRIOR AUTHORIZATION

*Coverage of certain services requires a Benefit Determination by PacificSource before the services are performed. This process is called prior authorization.*

Prior authorization is necessary to determine if certain services and supplies are covered under this Student Plan, and if you meet the plan's eligibility requirements.

Your Provider can request prior authorization from the PacificSource Health Services team. If your Provider will not request prior authorization for you, you may contact PacificSource yourself. In some cases, they may ask for more information or require a second opinion before authorizing coverage.

Because of the changing nature of care, PacificSource continually reviews new technologies and standards. The list of procedures and services requiring prior authorization is therefore subject to revision and update. **The list is not intended to suggest that all the items included are necessarily covered by the benefits of this Student Plan.** You'll find the current prior authorization list on the website, [PacificSource.com/uo](http://PacificSource.com/uo).

*If your treatment does not receive prior authorization, you can still seek treatment, but your claim will be subjected to retrospective authorization. If a treatment requires prior authorization but was not received, the claim must be submitted within 60 days. If the claim is not submitted within 60 days or if the review determines the expenses were either not covered by this Student Plan or were not Dentally Necessary, you will be held responsible for the expense.*

*Remember, any time you are unsure if an expense will be covered, contact the PacificSource Customer Service team.*

Notification of PacificSource's Benefit Determination will be communicated by letter, fax, or electronic transmission to the Provider, and you. If time is a factor, notification will be made by telephone and followed up in writing. For more information regarding the timelines for review of Pre-service Claims and Post-service Claims, see Claim Handling Procedures in the Claims Payment section.

Services and supplies necessary to determine the nature and extent of an Emergency Dental Condition are covered without prior authorization requirements.

## PREDETERMINATION

PacificSource provides a Predetermination service for expensive treatment plans. Prior to receiving treatment, a Member or the Provider may request an estimate of what this Student Plan would pay and what the Member would pay. This estimate is based on the Member's benefits at the time the request is made and is not a guarantee of payment.

## INDIVIDUAL/SUPPLEMENTAL BENEFITS

An individual/supplemental benefit may be available if PacificSource approves coverage for services or supplies that are not a Covered Service under this Student Plan. The decision to allow supplemental benefits will be made by PacificSource on a case-by-case basis. PacificSource and the Member's attending Provider must concur in the request for supplemental benefits in lieu of specified Covered Services before supplemental benefits will be covered. PacificSource's determination to cover and pay for supplemental benefits for a Member does not set a precedent for coverage of continued or additional supplemental benefits for a Member. No substitution will be made without the consent of the Member.

## CLAIMS PAYMENT

### *How to File a Claim*

Your Provider may submit the claim to PacificSource for you. If not, you are responsible for sending the claim to PacificSource for processing. Your claim must include a copy of your Provider's itemized bill, including the Provider name and address, the Provider tax identification number and National Provider Identifier (NPI), procedure codes, and diagnosis codes. It must also include your name, PacificSource Member ID number and the patient's name. If you were treated for an Accidental Injury, please include the date, time, place, and circumstances of the Accident.

All claims for benefits should be turned in to PacificSource within 90 days of the date of service. If it is not possible to submit a claim within 90 days, turn in the claim with an explanation as soon as possible. In some cases, PacificSource may accept the late claim. This Student Plan will never pay a claim that was submitted more than a year after the date of service.

### *Proofs of Loss*

PacificSource, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proof of loss. If such forms are not furnished by PacificSource within 15 days after the giving of such notice, the claimant shall be deemed to have complied with the requirements of this Student Plan as to proof of loss. Upon receipt of the forms for proof of loss, the claimant then must submit the proofs of loss within 90 days of the date of the loss or as soon as reasonably possible. 'Proofs of loss' include written proof covering the occurrence, the character and the extent of the loss for which claim is made.

All claims should be sent to:

*PacificSource Health Plans  
Attn: Dental Claims  
PO Box 7068  
Springfield, OR 97475-0068*

### *Claims Payment Practices*

Unless additional information is needed to process your claim, PacificSource will make every effort to pay or deny your claim within 30 days of receipt. If a claim cannot be paid within 30 days of receipt because additional information is needed, PacificSource will acknowledge receipt of the claim and explain why payment is delayed.

Neither the benefits of this Student Plan nor a claim for payment of benefits under the plan are assignable in whole or in part to any person or entity.

### *Claim Handling Procedures*

**Claim Determination** – PacificSource, on behalf of the University of Oregon, will make a claim determination within the time period noted in the chart below for the specific type of claim, unless additional information is necessary to process the claim. In that event, PacificSource will send you notice that the claim was received and explain what additional information is necessary to process the claim. If PacificSource does not receive the necessary information within 15 days of the delay notice, PacificSource will either deny the claim or notify you every 45 days while the claim remains under investigation. No extension is permitted for Urgent Care Claims.

**Adverse Benefit Determinations** – PacificSource will notify you in writing of a decision to deny, modify, reduce, or terminate payment, coverage authorization or provision of services or benefits.

**Review of Adverse Benefit Determinations** – An Adverse Benefit Determination applied for on a Pre-service, Post-service, or Concurrent Care basis may be Appealed in accordance with this Student Plan’s Appeals procedures. For more information, see the Complaints, Grievances, and Appeals section.

**Payment of Claims** - PacificSource, on behalf of the University of Oregon, may pay benefits to the Member, the Provider, or both jointly. Neither the benefits of this Student Plan nor a claim for payment of benefits under this Student Plan are assignable in whole or in part to any person or entity.

#### *Questions About Claims*

If you have questions about the status of a claim, you are welcome to contact the PacificSource Customer Service team. You may also contact Customer Service if you believe a claim was denied in error. PacificSource will review your claim and this Student Plan benefits to determine if the claim is eligible to be reprocessed accordingly.

#### *Benefits Paid in Error*

If PacificSource, on behalf of the University of Oregon, makes a payment to you that you are not entitled to, or pays a person who is not eligible for payment, they may recover the payment. PacificSource may also deduct the amount paid in error from your future benefits.

In the same manner, if PacificSource applies dental expense to this Student Plan Deductibles that would not otherwise be reimbursable under the terms of this Student Plan; PacificSource may deduct a like amount from the accumulated Deductible amount and/or recover payment of the dental expense that would have otherwise been applied to the Deductibles. Examples of amounts recoverable under this provision include, but are not limited to services for an excluded dental condition. The fact that a dental expense was applied to this Student Plan’s Deductible does not in itself create an eligible expense or infer that benefits will continue to be provided for an otherwise excluded condition.

## COORDINATION OF BENEFITS

The Student Plan serves as secondary coverage in coordination of benefits situations. However, this Plan serves as primary coverage when the Member also has coverage through the Oregon Health Plan, other state Medicaid plans, federal health plans, or tribal plans. The Plan is formed under the authority granted by ORS 352.087 and therefore is not subject to the

insurance code, including the Coordination of Benefits rules as outline by the Division of Financial Regulation.

### *Special Provision for National Collegiate Athletic Association (NCAA)-Sanctioned Intercollegiate Sports*

Benefits for services related to participation in UO's NCAA-sanctioned intercollegiate sports are only provided by the Student Plan on a secondary payor basis. This provision does not apply to expenses incurred from the practice or play of intramural or club sports, as such expenses are covered on the same basis as any other Injury.

The Student Plan provides benefits for Injury or Illness resulting from the practice or play of NCAA-Sanctioned Intercollegiate Sports when:

1. The maximum per-Injury limits of insurance coverage provided by the NCAA are reached; or
2. A specific limitation or exclusion in NCAA coverage, or any other coverage provided by the UO Athletic Department for medical expenses incurred from practice or play of intercollegiate sports is applied to an expense that is otherwise eligible under the Student Plan.

In combination with insurance/benefits provided by the UO Athletic Department, this provision assures that intercollegiate athletes do not incur any out-of-pocket expense resulting from the practice or play of NCAA-sanctioned intercollegiate sports.

## THIRD PARTY LIABILITY

'Third party liability' means claims that are the responsibility of someone other than this Student Plan. The liable party may be a person, firm, or corporation. Auto Accidents and 'slip-and-fall' property Accidents are examples of common third party liability cases.

A third party includes liability and casualty insurance, and any other form of insurance that may pay money to or on behalf of a Member, including but not limited to uninsured motorist coverage, under-insured motorist coverage, premises med-pay coverage, Personal Injury Protection (PIP) coverage, homeowner's insurance, and workers' compensation insurance.

*If you use this Student Plan's benefit for an Illness or Injury you think may involve another party, contact PacificSource right away.*

When PacificSource receives a claim that might involve a third party, they may send you a questionnaire to help determine responsibility.

In all third party liability situations, this Student Plan's coverage is secondary. By enrolling in this Student Plan, you automatically agree to the following terms regarding third party liability situations:

- If this Student Plan pays any claim that you claim is, or that is alleged to be, the responsibility of another party, you will hold the right of recovery against the other party in trust for this Student Plan.

- This Student Plan is entitled to reimbursement for any paid claims out of the recovery from a third party if there is a settlement, judgment, or recovery from any source. This is so regardless of whether the other party or insurer admits liability or fault, or otherwise disputes the relatedness of the claims paid by this Student Plan to the Injury caused by the third party. This Student Plan shall have the first right of reimbursement in advance of all other parties, including the participant, and a priority to any money recovered from third parties.
- This Student Plan may subtract a proportionate share of the reasonable attorney's fees you incurred from the money you are to pay back to this Student Plan.
- This Student Plan may ask you to take action to recover dental expenses we have paid from the responsible party. This Student Plan may also assign a representative to do so on your behalf. If there is a recovery, this Student Plan will be reimbursed for any expenses or attorney's fees out of that recovery.
- If you receive a third party settlement, that money must be used to pay your related dental expenses incurred both before and after the settlement. If you have ongoing dental expenses after the settlement, this Student Plan may deny your related claims until the full settlement (less reasonable attorney's fees) has been used to pay those expenses.
- You and/or your agent or attorney must agree to keep segregated in its own account any recovery or payment of any kind to you or on your behalf that relates directly or indirectly to an Injury or Illness giving rise to this Student Plan's right of reimbursement or subrogation, until that right is satisfied or released.
- If any of these conditions are not met, then this Student Plan may recover any such benefits paid or advanced for any Illness or Injury through legal action, as well as reasonable attorney fees incurred by this Student Plan.
- Unless Federal Law is found to apply.
- This Student Plan's right to reimbursement overrides the made whole doctrine and this Student Plan disclaims the application of the made whole doctrine to the extent permitted by law.

### *Motor Vehicle and Other Accidents*

If you are involved in a motor vehicle Accident or other Accident, your related dental expenses are not covered by this Student Plan if they are covered by any other type of insurance policy.

This Student Plan may pay your dental claims from the Accident if an insurance claim has been filed with the other insurance company and that insurance has not yet paid.

By enrolling in this Student Plan, you agree to the terms in the previous section regarding third party liability.

### *On-the-Job Illness or Injury and Workers' Compensation*

This Student Plan does not cover any work-related Illness or Injury, including those arising from self-employment. The only exceptions would be if:

- You are the owner, partner, or principal; are injured in the course of self-employment; and are otherwise exempt from the applicable state or federal workers' compensation insurance program;
- The appropriate state or federal workers' compensation insurance program has determined that coverage is not available for your Injury; or
- You are employed with an Oregon Based Group, and have timely filed an application for coverage with the State Accident Insurance Fund or other Workers' Compensation Carrier and are waiting for determination of coverage from that entity.

The contractual rules for third party liability, motor vehicle and other Accidents, and on-the-job Illness or Injury are complicated and specific. Please contact the PacificSource Third Party Claims team for complete details.

## COMPLAINTS, GRIEVANCES, AND APPEALS

### *Questions, Concerns, or Complaints*

The University of Oregon understands that you may have questions or concerns about your benefits, eligibility, the quality of care you receive, or about a claim determination. PacificSource will try to answer your questions promptly and give you clear, accurate answers based on the criteria adopted by the University of Oregon.

*If you have a question, concern, or Complaint about your coverage, please contact the PacificSource Customer Service team. Many times, their Customer Service team can answer your question or resolve an issue to your satisfaction right away. If you feel your issues have not been addressed, you have the right to submit a Grievance and/or Appeal in accordance with this section.*

Members who do not speak English, have literacy difficulties, or have physical or mental disabilities that impede their ability to file an Appeal may contact the PacificSource Customer Service team for assistance. They can usually arrange for a multilingual staff member or interpreter to speak with them in their native language.

## GRIEVANCE PROCEDURES

If you are dissatisfied with the availability, delivery, or the quality of dental care services; or claims payment, handling, or reimbursement for dental care services, or matters pertaining to the relationship between you and this Student Plan, you may file a Grievance in writing. PacificSource will attempt to address your Grievance, generally within 30 days of receipt. (See How to Submit Grievances or Appeals below.)

## APPEAL PROCEDURES

If you believe the University of Oregon, or PacificSource acting on behalf of the University of Oregon, has improperly reduced or terminated a dental care item or service, or failed or refused to provide or make a payment in whole or in part for a dental care item or service, that is based on any of the reasons listed below, you or your Authorized Representative (see Definition section) may Appeal (request a review) of that decision. The request for Appeal must be made in writing and within 180 days of the Adverse Benefit Determination. (See How to

Submit Grievances or Appeals below). You may Appeal if there is an Adverse Benefit Determination based on a:

- Denial of eligibility for or termination of enrollment in a dental care plan;
- Rescission or cancellation of your coverage, whether or not the Rescission has an adverse effect on any particular benefit at the time;
- Imposition of a Third Party Liability, network exclusion, annual benefit limit, or other limitation on otherwise Covered Services or items;
- Determination that a dental care item or service is Experimental, Investigational, Unproven, or not a Dental Necessity, effective or appropriate; or
- Determination that a course or plan of treatment you are undergoing is an active course of treatment for the purpose of continuity of care.

Any staff involved in the initial Adverse Benefit Determination will not be involved in the Internal Appeal.

You or your Authorized Representative may submit additional comments, documents, records and other materials relating to the Adverse Benefit Determination that is the subject of the Appeal. If an Authorized Representative is filing on your behalf, your Appeal is not considered to be filed until such time as PacificSource has received the 'Authorization to Use or Disclose PHI' and the 'Designation of Authorized Representative' forms.

You may receive continued coverage under this Student Plan for otherwise Covered Services pending the conclusion of the Internal Appeals process. If this Student Plan makes payment for any service or item on your behalf that is later determined not to be a Covered Service or item, you will be expected to reimburse this Student Plan for the non-Covered Service or item.

**Request for Expedited Response:** If there is a clinical urgency to do so, you or your Authorized Representative may request in writing or orally, an expedited response to an internal or External Review of an Adverse Benefit Determination. To qualify for an expedited response, your attending physician must attest to the fact that the time period for making a non-urgent Benefit Determination could seriously jeopardize your life or health or your ability to regain maximum function or would subject you to severe pain that cannot be adequately managed without the dental care service or treatment that is the subject of the request. If your Appeal qualifies for an expedited review and would also qualify for External Review (See External Independent Review below) you may request that the internal and External Reviews be performed at the same time.

**External Independent Review:** If your dispute with this Student Plan relates to an Adverse Benefit Determination that a course or plan of treatment is not a Dental Necessity; is Experimental, Investigational, or Unproven; is not an active course of treatment for purposes of continuity of care; or is not delivered in an appropriate dental care setting and with the appropriate level of care, you or your Authorized Representative may request an External Review by an independent review organization (see How to Submit Grievances or Appeals below).

Your request for an independent review must be made within 180 days of the date of the internal Appeal response. External independent review is available at no cost to you, but is generally

only available when coverage has been denied for the reasons stated above and only after all internal Grievance levels are exhausted. This Student Plan will pay for any cost associated with the external independent review.

### *Timelines for Responding to Appeals*

You will be afforded one level of Internal Appeal and, if applicable to your case, an External Review. PacificSource will acknowledge receipt of an Appeal no later than seven days after receipt. A decision in response to the Appeal will be made within 30 days after receiving your request to Appeal.

The above time frames do not apply if the period is too long to accommodate the clinical urgency of a situation, or if you do not reasonably cooperate, or if circumstances beyond your or PacificSource's control prevent either party from complying with the time frame. In the case of a delay, the party unable to comply must give notice of delay, including the specific circumstances, to the other party.

### *Information Available with Regard to an Adverse Benefit Determination*

The final Adverse Benefit Determination will include:

- A reference to the specific internal rule or guideline PacificSource used in the Adverse Benefit Determination; and
- An explanation of the scientific or clinical judgment for the Adverse Benefit Determination, if the Adverse Benefit Determination is based on Dental Necessity, Experimental, Investigational, or Unproven treatment, or a similar exclusion.

Upon request, PacificSource will provide you with any additional documents, records or information that is relevant to the Adverse Benefit Determination.
